

NOVEMBER 16, 2019 – Placemat Exchange

Here is a short form to fill out to go with your placements, so that the recipient can duplicate them if they want to weave more to match:

Placemat pattern, P.# and book: _____

Fiber (i.e. 8/2 cotton, etc.) and color: _____

EPI and total # of ends _____

Your Name: _____

Put that in with the two placemats and roll them into a cylinder. We will have tissue paper and ribbon to wrap them when you arrive. We do need to keep the 8-shaft and 4-shaft weavings separate. During the meeting, we will have a number drawing for each weaver who brought one to pick one and then show what you have received. For the original weaver, it will be a time to talk about how the challenge worked for that weaver and what they want the recipient to know.
